RE: Transfer of Place of Use

Dear Water Right Holder,

During your visit to our office in Idaho Falls you submitted an application for transfer. Upon review it was discovered that this form lacked your signature and notarization by a Public Notary. Enclosed is the signature page of the application, an acreage list showing the Place of Use after the transfer, and an aerial photo also depicting the changes. I have chose not to mail the entire packet back to you to save us both money on mailing costs, if you want to see the entire transfer application I can mail it to you.

If you have any questions, please, fell free to contact me.

Respectfully yours,

Joseph Larsen
Water Resource Agent
