RE: Application for Permit

Dear Mr. Franklin

We have just purchased this 7.4 acres of land outside of Moscow from Brian Tenney. He had purchased it from Michael Hinson sometime in 2005. Since that time nothing has been done to the property. I spoke to you on the phone this past Tuesday regarding Michael Hinson's Permit # 87-10038 requesting permission to create a private pond.

Prior to speaking to you I had placed a call to Gary Spackman on Monday not remembering it was a holiday! His name appeared on the Hinson's permit and at the time I didn't know what else to do. Tuesday afternoon Gary Spackman returned my call. I explained the situation to him and he recommended that our best option is to submit a new application for the private pond.

Attached is the application. If you have any questions or concerns, I'm attaching our personal card that has all our phone numbers on it. Please don't hesitate to let us know if you need any future information.

Best regards,

Dick and Ginny Patton
