Attachments: Recommendation of WaterMaster

Ernie, I thought I would try this with you and see if it works. If you don't like it, I will go back to sending formal letters with the Recommendation attached. Just either open the attachment, fill it out and send it back, or print it out, fill it out and give it back to me. Thanks. Sharla

Watermaster:

A copy of the above referenced application is enclosed. Please review the application, then complete the enclosed recommendation form and return it to this office within 21 days of the date of this letter.

IDWR's regional offices can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered during regional review. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.

Sincerely,
Blake Jordan
Water Resource Agent
