To whom it may concern,

I have made a purchase of three separate ranches in MacKay, Idaho to make one ranch. The ranch will be called Moose Creek Ranch. There were three previous owners and three parcels, the first and main ranch previous owner was Ewing Philbin which consisted of 363 acres. The second and third parcels were owned by Judith Lynn Uresti Morbeck and Chad H. Weaver which were recipients of the Bolen Uresti's estate. Judith Morbecks parcel was 60 acres and Chad H. Weaver's parcel was 88 acres. I have filled out all of the water rights paperwork and included all the arial maps. This is all the current paperwork as of today.

If you have any questions or need any assistance please feel free to call me. Thank you and make it a great day.

Sincerely,

A handwritten signature in dark ink, appearing to read "JAM", written over the word "Sincerely,".
