Bruce,

I apologize for the inconvenience caused by the delay in my correspondence. I will not have a rental agreement for the City of Eagle tomorrow. I will however, contact you as soon as I have further correspondence reviewed by IDWR staff and finalized for mailing. Thank you for your patience.

Aaron—Sorry to call you 15 times but I need to get the lease on the Eagle agenda if the Council is to act on it tomorrow night. Is it ready? Can you forward to me or at least tell me it will be ready by tomorrow so I can tell them to put it on the agenda? Thanks Bruce
