RE: Application to Rent Water from  
Water Supply Bank – City of Eagle  
MSBT File No. 1019.03

Dear Aaron:

Enclosed is an Application to Rent Water from the Water Supply Bank on behalf of the City of Eagle. The application has been completed pursuant to the discussions we have had regarding this application.

The City is seeking to rent 400 a/f of water for five (5) years. This water will be used for municipal purposes and will supplement the existing City water supply. The City would like to structure a payment schedule such that annual payments for each year's rental would be made during January of the rental year. Payment for 2007 will be made immediately upon execution of a Water Supply Bank Rental Agreement.

I have also identified certain rights through the water bank which would appear to provide the amount of requested water both as to diversion rate and volume (copy attached).

If you have any questions, please contact me.

Sincerely yours,

MOORE SMITH BUXTON & TURCKE, CHTD.
