Re: S.O. Review

Application seeks to divert 0.17 cfs groundwater for domestic/irrigation use near Midvale. P/d is located in NENW 7 T13N R03W, pou is in both NENW and NWNW of same section. Well was drilled in 1997 as a domestic, proper fees have been received to upgrade to irrigation use. P/d lies within surface WD 65. Irrigation system will be a well to sprinkler system. Domestic is for one house only.
