ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, DAVID R. TUTHILL, JR., of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 95-08891 with the following:

CONDITIONS OF APPROVAL

1. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which permit holder had no control.
2. After specific notification by the department, the right holder shall install a suitable measuring device or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
3. The rate of diversion of water for irrigation under this right and all other water rights on the same land shall not exceed 0.02 cubic feet per second for each acre of land.

Witness my hand this 1st day of April, 2008.
