LEGAL NOTICE PROPOSED CHANGE OF WATER RIGHT

Coast 2 Coast LLC of 1665 W Hill RD, Boise, ID 83702 filed application no. **73959** with IDWR to transfer two water rights with 1865 priority dates from the Boise River totaling 2.35 cfs. The purpose of the transfer is to change the nature of use for a portion of one of the water rights to provide for evaporation losses for ponds that have been applied for in permit 63-32229. The remaining 23.7 acres from that right will continue to be an irrigation use, but it will be used to irrigate the lawns and common areas of the Coast 2 Coast Subdivision. A 10.4 acre portion of the second water right will be moved from its current location approximately ¼ miles west to the west side of Eagle Road for the above described irrigation uses in the Coast 2 Coast Subdivision. Both of these rights use the same point of diversion from the Boise River, and it will not be moved through this transfer. The Coast 2 Coast Subdivision is located along the southern bank of the South Channel of the Boise River on the west side of Eagle Road.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with IDWR Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before April 7, 2008. The protestant must also send a copy of the protest to the applicant.
