PROPOSED CHANGE OF WATER RIGHTS

City of Emmett, 501 E. Main Street, Emmett ID 83617 filed Application Nos. 73790 and 73791 to transfer two irrigation water rights with 1978 priority dates from ground water at 0.3 cfs each for a total of 0.6 cfs. The purpose of the transfers is to change each right's point of diversion from a shallow ground water pond to nearby existing wells. Each right will use a separate irrigation well drilled around 1965. The existing wells might need to be rehabilitated and/or replaced. Both rights are for the City Golf Course.

For specific details regarding the applications, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications." Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed changes must be filed with the Director, IDWR Western Region, 2735 Airport Way, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before April 21, 2008. The protestant must also send a copy of the protest to the applicant.
