Re: Change of Ownership for Water Right 36-7662

Dear Water Right Holder(s):

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

I apologize for the tardiness of the processing of your ownership change notice. When you submitted the original change notice in 1992, current owners of water rights not involved in the Snake River Basin Adjudication were not tracked. They are now, and I have included a copy of the documents you submitted in the water right file.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
