RE: Change in Ownership for Water Right 81-7071

Dear Ms. Ericson:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received on 5/2/2005. During our review, we found a discrepancy between the quitclaim deeds you submitted and the place of use for the water right.

The place of use for the water right is for domestic use for 1 home. The home is located in Lot 3, Block B of the subdivision. However, the legal description on the deed you submitted only shows ownership of Lots 1 & 2 in Block B. The following is required to complete the change:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question.

Note, another water right is associated with this lot. Water right 81-7072 is for irrigation use on the same lot where the house is located. If you own this property and would like to apply for ownership change for this water right, a written request and an additional \$25 fee would be required. I have enclosed a blank Notice of Change in Water Right Ownership form for your use.

We will hold your application open for 60 days pending receipt of the necessary information. Please feel free to contact me at dayna.ball@idwr.idaho.gov or 208-287-4953 with any questions regarding this matter.

Sincerely,

Dayna M. Ball
