RE: Application for Transfers No. 74199, 74354, and 74125

Dear Protestant:

This letter acknowledges receipt of the protest filed by you against the above referenced applications for transfer. The following are the principle items considered by the Department at a conference and/or hearing in either approving or denying an application for transfer:

- 1. Are other water rights injured by the transfer?**
- 2. Does the change constitute enlargement in the use of the original right?**
- 3. Is the change consistent with the conservation of water resources within the state of Idaho?**
- 4. Does the change conflict with the local public interest?**

The protestant must be prepared to present proof of the allegations involving one or more of the items. You will be notified at a later date as to the time and place set for conference and/or hearing.

If we may be of further assistance, please contact us.

Respectfully submitted,

Sharla Cox
Water Rights Administrative Assistant
