Re: Application for Transfer / Permits (Six S Ranch LLC)

Dear Corey:

With respect to the application for permit filed by Six S Ranch on April 13, 2007, please note that the point of diversion for the application with the 13.5 cfs diversion rate has been changed. As depicted on Sheet 7 of the submitted drawings, the proposed point of diversion (old outlet) has been moved approximately 150 feet to the east along the existing dam.

Please note there is no change in the proposed legal description, just the location on the map that was submitted. Please call me at 733-0700 if you have any questions.

Sincerely,

BARKER ROSHOLT & SIMPSON LLP
