To: Water Right File 57-11698
From: nvandyke
Re: S.O. Review

Permit seeks to divert total of 0.34 cfs for stockwater and irrigation purposes south of Homedale. See previous comments from Angie Grimm on overlap with Gem Irrigation District water. DP upgrade was paid. Also please see Steve Lesters memo dated July 27 2007 in permit folder regarding potential overlap with right 57-7234.
