PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 25-14192

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

During my review of your proof statement I found that you have had a change in address since we last wrote to you. I have updated our database with your new mailing address. Be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office. Enclosed is a database report to reflect the address and contact information for this permit, based on the information provided with your proof statement submitted by Robert L. Harris.

If you have questions about the field examination, please contact the **Eastern Regional** Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
