

MEMORANDUM

To: Water Right File No(s). 35-7777
From: Aaron Marshall

Re: Water Supply Bank Rental Agreement

Mr. Driscoll (renter) said that he no longer needs to rent water from the Bank and will not extend his agreement for 2008 by submitting payment.

Knudsen Poor Farms (lessor) recently submitted a request to have this right released from the Bank. This right will now be released from the Bank as there is not an active rental of the right.
