RE: Amended Application for Permit – Jeffrey & Michelle Aleixo

Dear Sharla:

Enclosed please find an Amended Application for Permit submitted on behalf of Jeff & Michelle Aleixo. This Amended Application for Permit is in response to your letter dated January 28, 2008, where you indicate that a better map needs to be submitted, and that the points of diversion were not provided correctly. We appreciate you bringing these issues to our attention. Upon further review of the application, it was discovered that there were additional errors that need to be corrected. We have made those corrections, and they are contained in the Amended Application for Permit. We have also provided an improved GIS map of the property, and as you can see, the property is bisected by a quarter-quarter line. We have also provided various plat maps we feel may be helpful in your review of this application. If you have any additional questions or concerns, please let us know.

Sincerely,

Robert L. Harris
