RE: Water Right Permit No. 95-08830

Dear Mr. Pennestri:

Here is the final version of the amended water right license that will be issued, I mistakenly sent you a draft version of the amended license that contained an incorrect rate of diversion for irrigation (0.16 cfs changed to 0.15 cfs) and an incorrect annual volume for the domestic use portion of this right (1.2 af changed to 0.6 af).These numbers were decreased slightly to reflect what was found by the field examiner at the time of the exam. No further payment is required, please review the amendment form and sign if you agree with the information presented.

If you have any questions, please call me at 208-287-4955.

Cordially,

Jeff Harris
