RE: Application for Transfer

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning a copy of your application to allow you to complete the necessary items. The required information is described below.

The Notarized Signature was not provided correctly. We only had a faxed COPY of your signature page along with the notary signatures. We need an original signature. Please either send us the original signature page, or I have enclosed a new signature page for both of you to sign in front of a notary and return it to us.

Please feel free to contact this office if you have any questions.

Sincerely,

Dave Carlson
Water Resource Supervisor
