RE: Change in Ownership for Water Right No. 74-555

Dear Shirley Jones:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Signature**

☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the decreed water right indicated in your notice. **The supporting document you submitted is for property in the NW ¼ of the SW ¼. This water right is located in the SW ¼ of the SW ¼.** I have enclosed a water right report and a map describing the property for this water right.

Because the Department cannot process the ownership change without a signature and proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, Please call Darla Block at (208) 287-4945.

Sincerely,

Darla Block
