Re: Application for Water Right No. 63-32423 in the Name of JMM Dry Creek, LLC

Dear Mr. Westra:

The prehearing conference in the above-referenced matter is scheduled for Thursday, March 6, 2008. My client and its consultants have been reviewing concerns raised by the Protestant, and are confident that an agreement can be reached to resolve those concerns. In the event that we are unable to come to an agreement to resolve the protest at the prehearing conference, we ask that IDWR set a hearing date as soon as possible. We believe that an early hearing date will help move any further settlement negotiations between the parties along quickly, and will quickly and finally resolve the protest should a hearing be necessary.

We look forward to meeting with IDWR and the protestant to address and resolve concerns raised by the protest.

Sincerely,

A handwritten signature in cursive script that reads "Charles L. Honsinger".
