Re: Proof of Beneficial Use for 96-9060

This acknowledges receipt of your Proof of Beneficial Use filed on the above referenced water permit.

The paperwork will be forwarded to our state office in Boise for processing. You will receive a letter of acknowledgement from them noting receipt thereof. The letter you receive from our state office will explain the process from this point forward.

This also acknowledges your Change in Address form which will also be forwarded to our state office for processing. We note that this form only references your water permit number **96-9060**. We assume this changes the address on all your water right applications, permits, etc. If this is not the case, please notify the state office to the contrary. The state office mailing address is **PO Box 83720, Boise, ID 83720-0098**

Sincerely,

A handwritten signature in cursive script that reads "Dianne Ball". The signature is written in dark ink and is positioned above the printed name and title.
