RE: Assignment of Permit No. 65-22889

Dear Permit Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced permit to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

As previously noted on our letter dated August 24, 2007, we are awaiting an assignment of permit for Permit No. 65-22971. Once you submit the additional document along with the \$25 fee, we will change the ownership of that permit as well.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
