RE: Assignment of Permit for WR # 65-22889 & 65-22971

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Assignment of Permit. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- **Filing Fee** of \$25 per water right permit (total of \$50 due)
- Assignment of Permit from Crane Shores to W & S Investments (or from Crane Shores to North Lake Recreational Sewer & Water Dist.)

Permit number 65-22971 is considered the personal property of Crane Shores, therefore the representative of Crane Shores must assign the permit to the new owner. Please find enclosed a copy of the Water Permit Report and a new Assignment of Permit form.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing, Office Services Supervisor
Water Allocation Bureau
