Re: Change of Ownership for Water Rights 37-13029 and 37-13030

Dear Water Right Holder(s):

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights. The Department has modified its record of water right 37-13029 to reflect the change in ownership and has enclosed a computer-generated report for your records.

The submitted deeds did not convey the property described in water right 37-13030 (a copy is enclosed for your reference), therefore, the ownership on this water right has not been changed. Because the Department cannot process the owner change without the proper documentation, we will hold any action on this water right pending receipt of the necessary information. If we do not receive this information within 30 days, no further action will be taken and a \$25 refund will be requested.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
