RE: Status of Application for Permit No. 65-23037

Dear Applicant:

This letter is being written as a follow up from previous contact between Mr. Lawrence, attorney for Emmett School District, and IDWR; regarding the status of the above referenced application. This application is still on hold at IDWR, pending additional information regarding the protest filed on June 15, 2006 by Emmett Irrigation District.

As previously discussed, if sufficient progress has not been made by the end of 2007 in the matter between Emmett School District and Emmett Irrigation District, IDWR will reschedule a pre-hearing conference for the month of February.

Please provide a written response, indicating the status of this matter, no later than January 11, 2008.

Thank you in advance for your cooperation. If you have any questions, please feel free to contact this office.

Sincerely,

for: John Westra
