Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Franklin:

We approve the draft permit of water right application, #95-9362, for Johnson Meadows Estates Water Association, Inc., by the Idaho Department of Water Resources to appropriate the public waters of the State of Idaho. The draft permit is consistent with the elements of the settlement agreement of the protested water right application.

Sincerely,

Myra M. Sherman,
Spokesperson for Myra and Hal Sherman
