A good afternoon to you,

Attached please find our cover letter requesting publication of a legal notice on Nov. 16 and 23, 2006.
Also attached is the legal notice.

I will also be faxing this FYI.

If you have ANY questions, please call me at 762-2800.

Also, as usual, please fax a proof copy to me prior to publication so I might double check the layout and also make sure I didn't miss something.

Thanks very much for all your help.

RE: Application for Permit No 95-9362

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Coeur d'Alene Press on November 16 and 23, 2006. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent
