Barry,
The BLS Holdings settlement agreement looks OK.

Bob and I both don't agree with provisions B6 and B7 of the Johnson Meadows Settlement Agreement as part of the Mutual Actions of Part C1. The Department does not want to get into the business of enforcing CCRs.

If you have any questions, please call.

Keith.

Keith,
Attached is the draft of the revised BLS Holding agreement based upon your recommendations. Please review and let me know if you find it acceptable. Thanks for your help on this.
