Subject: Applications to Rent Water from the Water Supply Bank

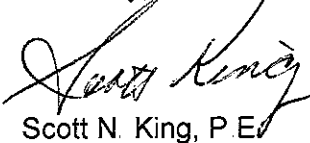

Dear Mr. Marshall,

Enclosed on behalf of our client, Lavar Thornton, are two applications to rent water from the water supply bank. The first application seeks to rent ~~0.84 cfs~~ ^{0.38 cfs} and ~~168 acre-feet~~ ^{31 acres} for the irrigation of ~~56 acres~~ ^{31 acres} for a period of five (5) years. The place of use is ~~56 acres~~ ^{31 acres} within an existing 446-acre permissible place of use described by water rights 63-2986, 63-31951 and 63-31953.

The second application seeks to rent 0.68 cfs and 90 acre-feet for the irrigation of 45 acres for the 2008 irrigation season. Anthony Miller owns a portion of the listed place of use. Mr. Thornton has an agreement with Mr. Miller for irrigation and farming on Miller's property.

Please contact me if you have any questions regarding these applications.

Sincerely,

Scott N. King, P.E.

Application reduced due to prior application for 31 acres submitted in 2005.
