Re: Applications to Lease and Rent water from the Water Supply Bank Held

Applications to lease and rent water from the water supply bank submitted by LaVar Thornton, received on February 27, 2004, were held pending review of transfer no. 71321. Upon approval of the transfer, a second application to rent was filed with the department, received January 18, 2005. It will be reviewed based on the current status of the rights. The original applications were not processed. A payment of \$582.00 was sent with the original applications to cover the fee for the proposed rental. This payment will be applied to the new application to rent water.
