RE: Water Right No. 63-10604 A (SW $\frac{1}{4}$ -SW $\frac{1}{4}$, SECTION 15, T1N, R2W)

Ms. Krause:

This letter is in follow-up to our phone conversations from March 11, 2008. During our conversations you inquired into the status of the water rights, if any, associated with your property, and the relationship of your water right with the property owner to south.

You indicated that you owned approximately 5.2 acres at the SW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 15, Township 1 North, Range 2 West, as previously owned by Tara Mashburn. My research indicates that water right "63-10604 A" is associated with this property. This water right, along with water right "63-10604 B" were split from the original water right associated with the property, 63-10604. I have enclosed with this letter a copy of Water Right Licenses "63-10604 A" and "63-10604 B", a summary spreadsheet of all water rights for the quarter-quarter in question, a written summary of the split as prepared by the Field Examiner at the time of the split, and a color exhibit of your quarter-quarter prepared during my research. Please review the documents carefully.

After reviewing the documents, if you feel it is appropriate, you can prepare the "Notice of Change in Water Right Ownership" document enclosed and return it to the Department of Water Resources for processing. This document will update the State records to indicate you as the current owner of the water right. Please read the directions carefully and complete the Notice accordingly.

If you have any questions please call me at (208) 287-4914 or email me at Mathew.weaver@idwr.idaho.gov.

Respectfully,
