RE: Notice of Change in Water Right Ownership

Dear Water Right Holder:

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on November 6, 2006. The water right number listed on the notice was 36-16089. The ownership change was process on April 18, 2007 and an acknowledgement letter was mailed out to you.

After further research, it appears that the ownership change was processed on the wrong water right number. The correct water right number is 36-16478, which is a split of water right number 36-16088. The Ross' owned 2 pieces of property with 2 different water rights. I have restored the Ross' as current owners of 36-16089. The department has modified its records to reflect the change in ownership for water right number 36-16478 and has enclosed a computer-generated report for your records. I have also enclosed a map of the area which depicts the place of use, the WR owner's name and the water right number.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

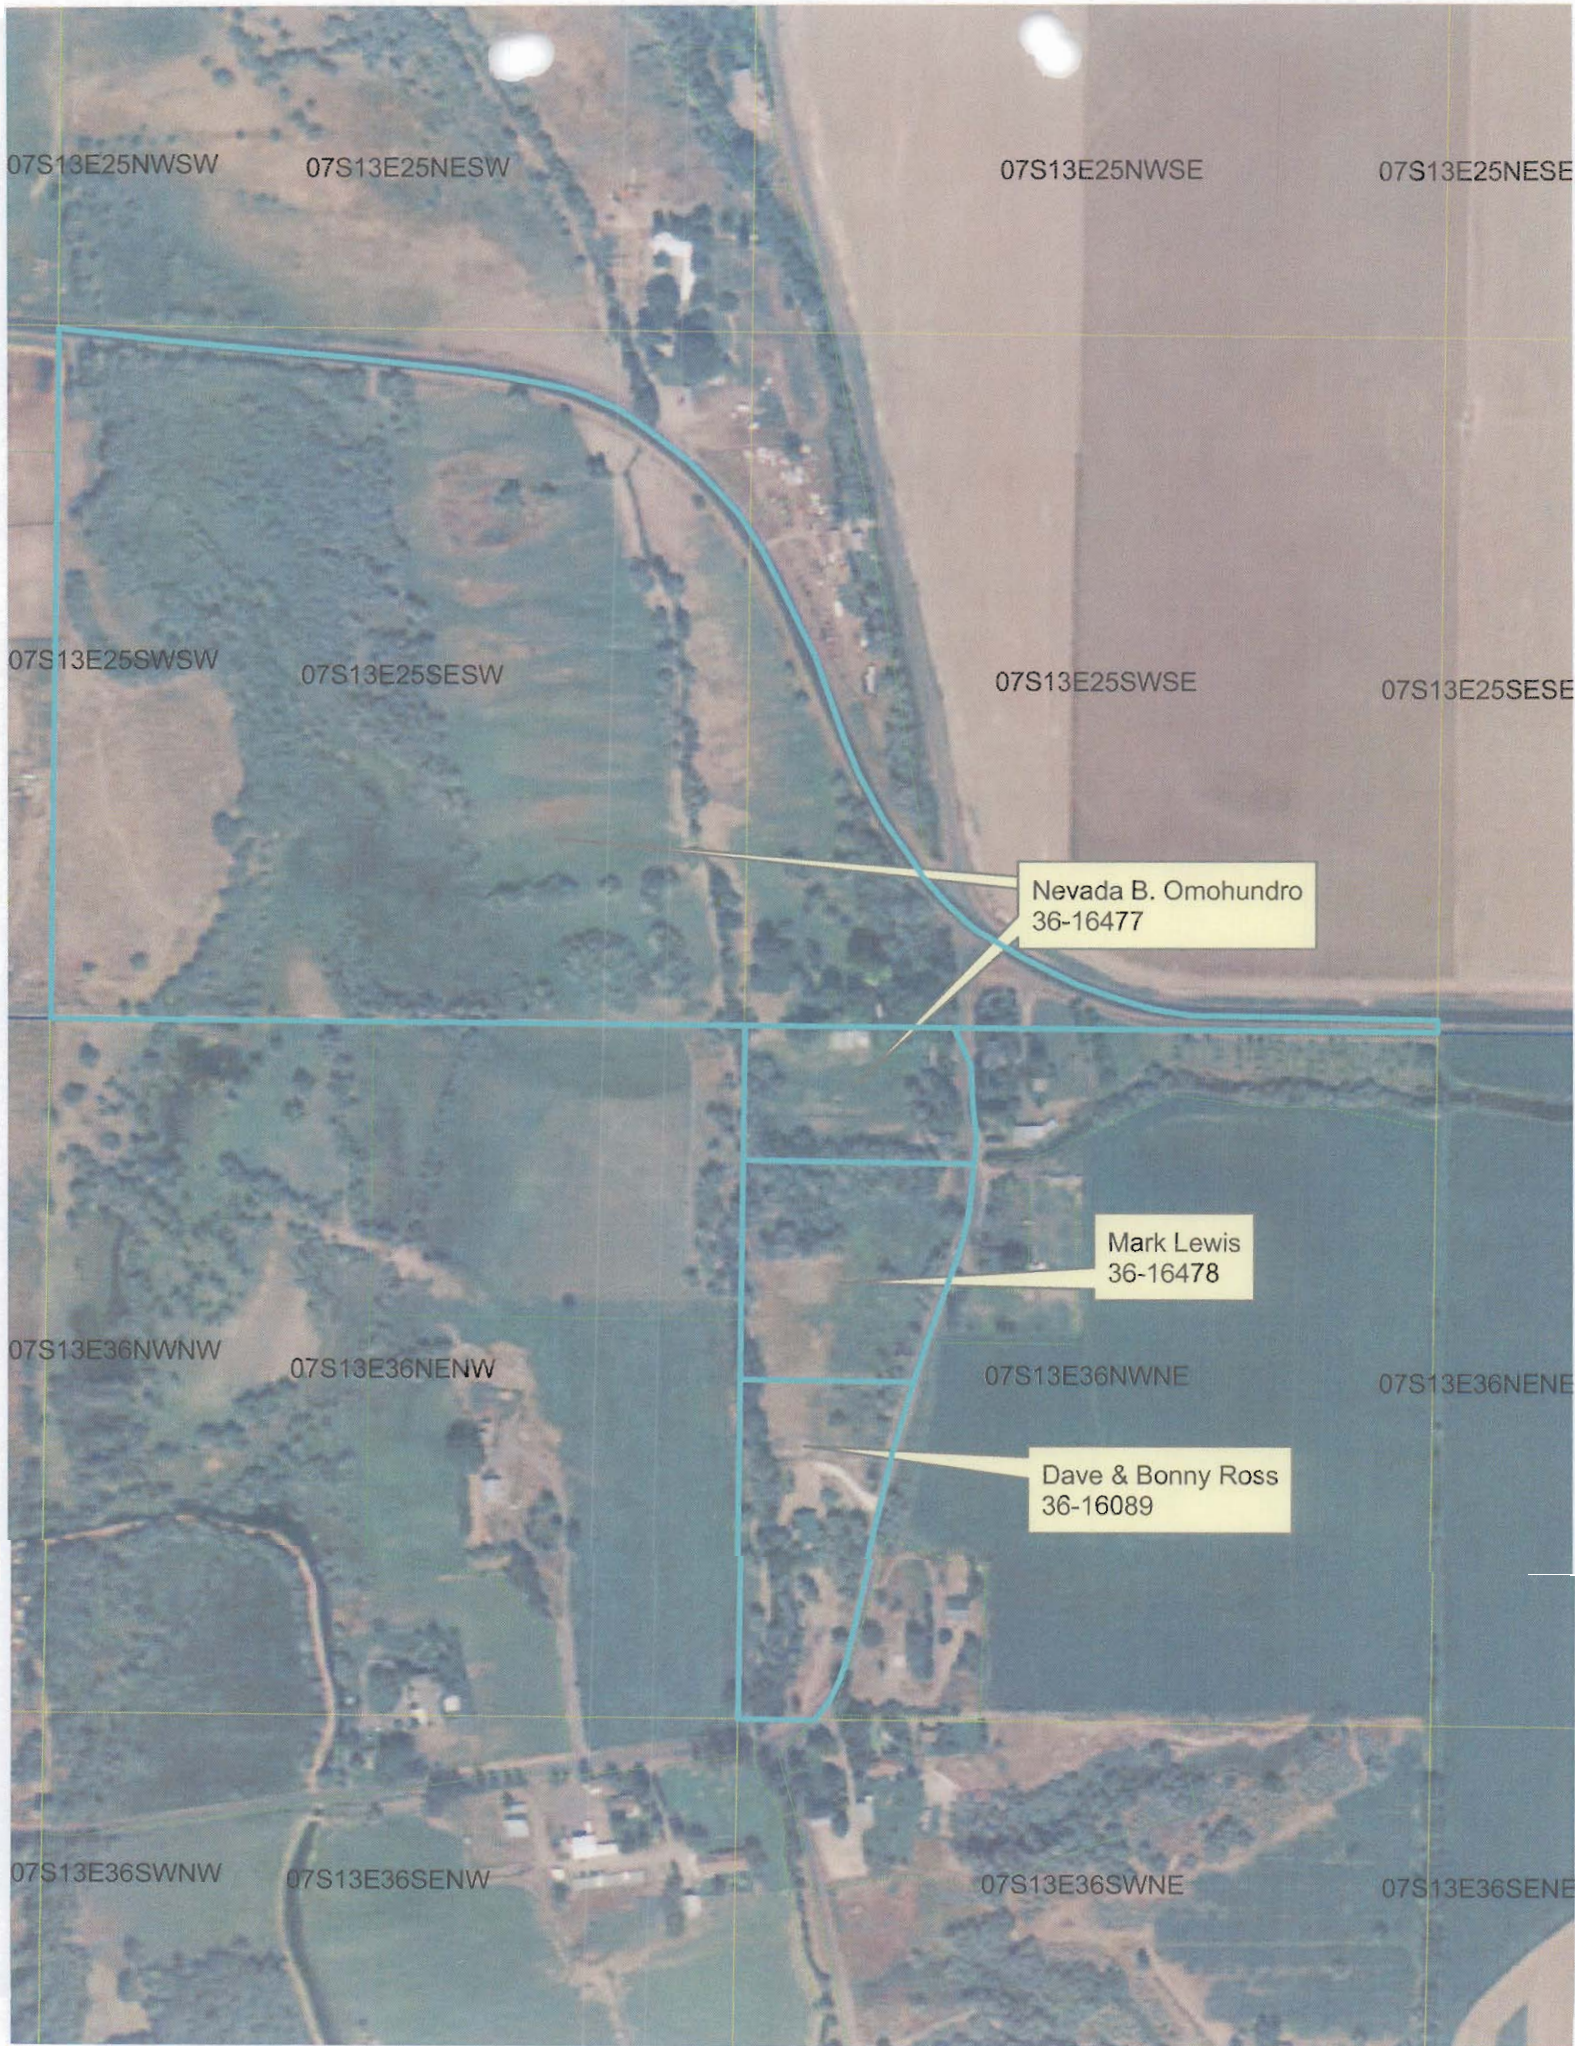

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Emalee Rushing'.
