Re: WR Application 96-9375 – Well Tag No. D0028902, Permit No. 808640

We are returning your check No. 6478 in the amount of \$175.00 for upgrading your present domestic use well to include irrigation.

The check is for more than what is actually needed in order to upgrade your well to include the irrigation usage. Therefore, we request that you cancel this check and issue one to IDWR in the amount of \$125.00, a savings to you of \$50.00.

This would be simpler from a bookkeeping standpoint than depositing your check for \$175.00 and getting our state office to issue you a refund of \$50.00. Often it takes a while to obtain a refund through the state office accounting procedures.

Thank you very much for your attention to this matter. .

Sincerely,

Dianne Ball
Administrative Assistant
