Good morning, Gail,

I presume you are also inundated with the white stuff in your area. Kootenai County commissioners are debating calling for a state of emergency for our area. I have little schipperke dogs that can now walk over the fences so we have to keep them either in the house or on a leash when taking them outside. Just in January we've had about 4 ft of snow including 5-6 inches last night and 6 inches the day before.

Attached you will find our cover letter requesting publication of a legal notice on February 7 & 14, 2008. The legal notice is also attached.

If you have ANY questions, please call me at 208-762-2800 or reply to my e-mail.

Also, please send me a preview/proof copy for review before publication.

Thanks again for being so great to work with. You are very special indeed!

Dianne

RE: Application for Permit No 98-7868

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Bonners Ferry Herald on February 7 & 14, 2008. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent
