Joe, the transfer application document will go in the mail tomorrow. I did not scan and send it because some sheet have a sticky note for some form questions you have to answer. Of course, review the form; sign the last page having your signature notarized, and send the completed form with \$250 to Western Region, IDWR, 2735 Airport Way, Boise 83705. Feel free to attach a note to your application indicating my knowledge of the nature, purpose, and scope of the application. Steve Lester or an agent in Western may ask any questions of me where the question might otherwise come to you. I could likely supply some information I may have overlooked in assembling the form. Thanks for your patience.

Don, I am wondering if there is any update? Anything more I can do to help? Thanks, Joe
