RE: Issuance of license for water right 11-7476

Dear Mr. Mattson:

IDWR has received your letter dated October 11, 2006 concerning water right 11-7476. IDWR records indicate that water right 11-7476 is for domestic use of one cabin on property owned by Marilyn M. Payne. A deed submitted by Marilyn M. Payne for the split of water right 11-7022 indicates that she is the owner of roughly 13 acres in the NWSE of Section 28 T15S R43E. During an on-site inspection on August 6 2007, a Department field examiner found the point of diversion and place of use are within the NWSE of Section 28 T15S R43E within the parcel owned by Marilyn M. Payne. The water line from the spring to the cabin does not appear to cross anyone else's land

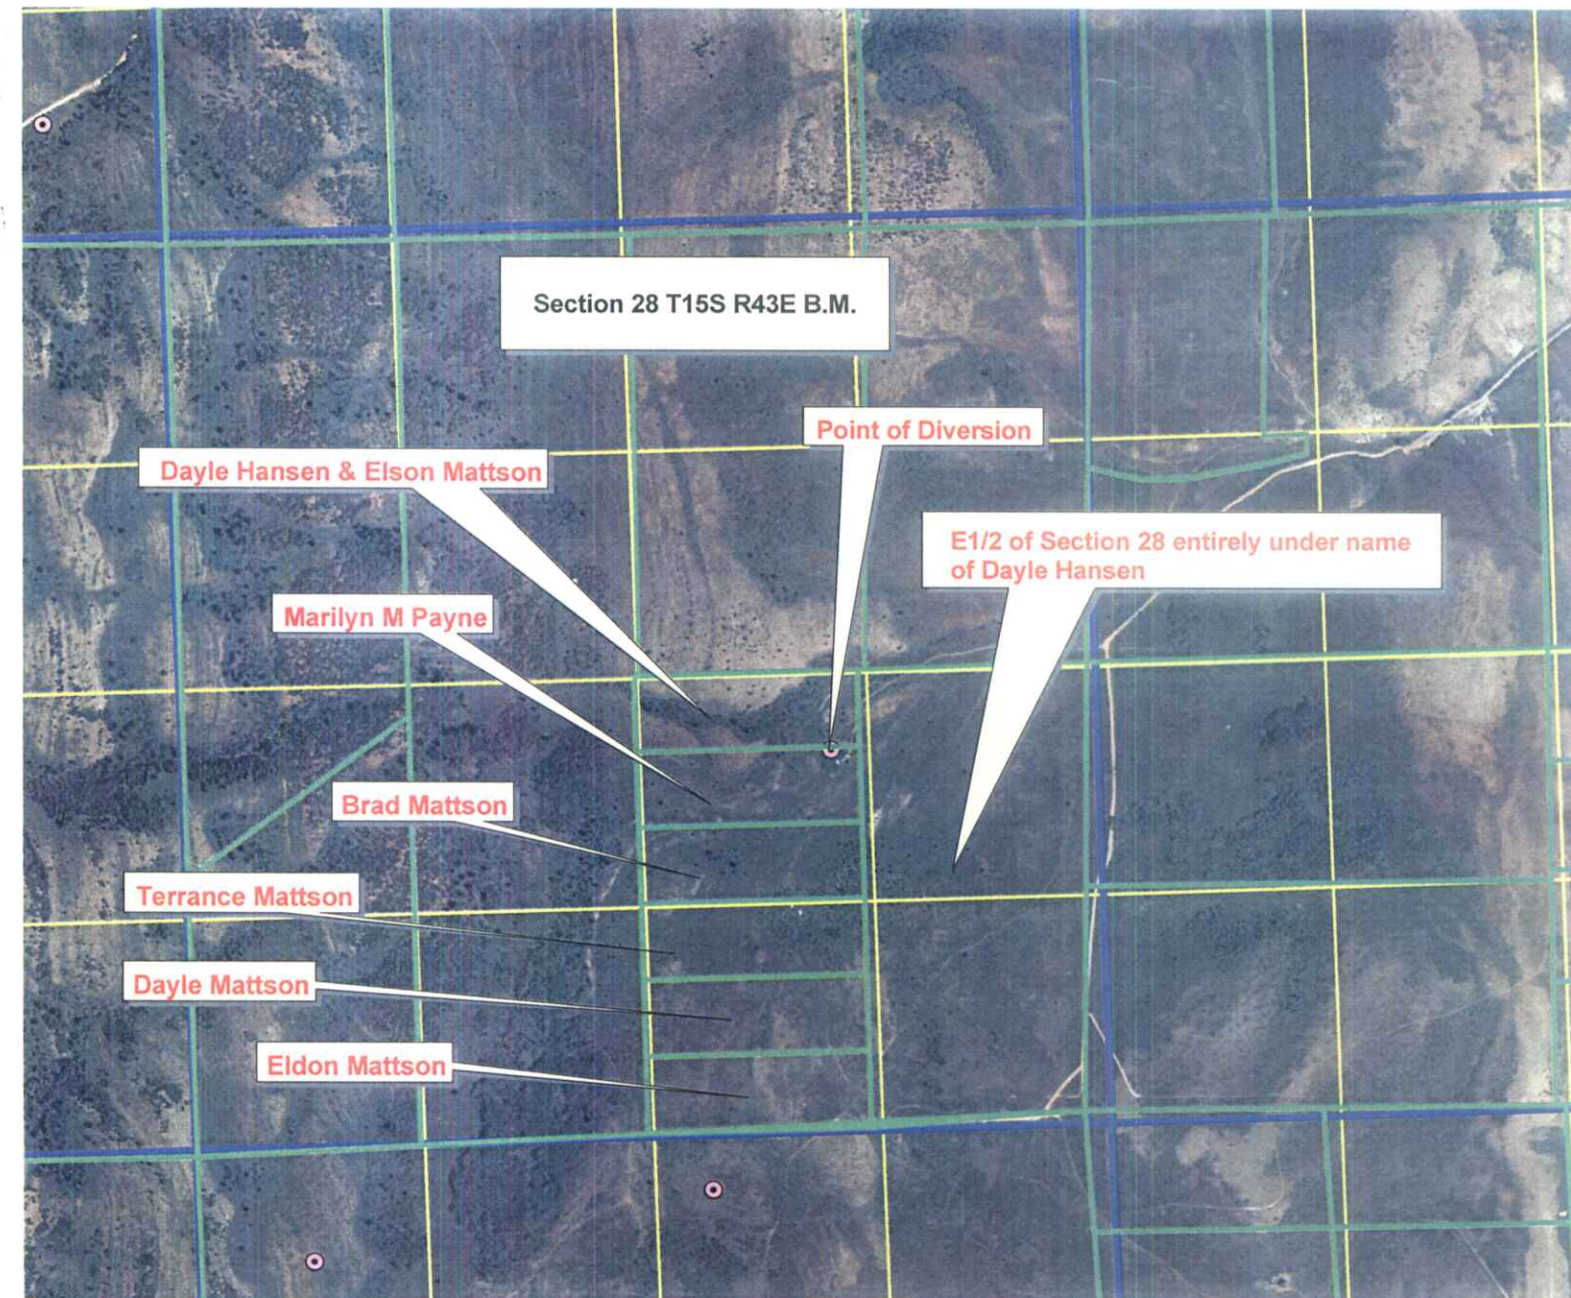

For your reference, please find a prepared map outlining Bear Lake County tax lot data on record for the year of 2005. IDWR has prepared a draft water right license for the diversion and use of water by Marilyn M. Payne and Gary Payne. Please provide a detailed description of your concerns within 14 days if you still feel IDWR should not issue the license.

Sincerely,

Shelley Keen
Water Rights Section Manager
