Re: Applicant and Address Verification

I called Kae Black to verify that she is the only named party on the draft license and to confirm her current address. She indicated that her husband had passed away nine years ago and she is the only remaining person from the permit to be named on the license. Regardless of this fact I left both her and her husband (Herman) on the license since we had no official notice of the husband's passing. I did however indicate that Kae should be the only recipient of correspondence. I also confirmed Kae's current address to be 845 Pearl Drive Blackfoot, ID 83221.
