CONDITIONS OF APPROVAL

1. The right holder shall not provide water diverted under this right for the irrigation of land having appurtenant surface water rights as a primary source of irrigation water except when the surface water rights are not available for use. This condition applies to all land with appurtenant surface water rights, including land converted from irrigated agricultural use to other land uses but still requiring water to irrigate lawns and landscaping.
2. Irrigation of large projects such as parks, golf courses, or sports activities fields is not authorized under this right.
3. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustration purposes.
4. Place of use is within the area served by the public water supply system of Bear Lake West Homeowners Association. The place of use is generally located within Sections 22, 27, and 28, Township 16S, Range 43E.
5. The following rights are diverted through point(s) of diversion described above: 11-7027, 11-7035, and 11-7142.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 6th day of March, 2008.
