Re: Filing Fee

The total cfs under the two rights involved in this transfer is 397.12 cfs. The filing fee based on the entire flow would be \$8570. Since the transfer only proposes to include 24 1/4 1/4s that were erroneously left out of the boundary when the SRBA claims were decreed, the fee has been proportionally calculated as follows:

24 proposed 1/4 1/4 / 522 existing 1/4 1/4 = 4.6%
397.12 cfs x 4.6% = 18.27 cfs
Filing fee for 18.27 cfs = \$970
