Re: Transfer Evaluation

The purpose of this transfer is to change the place of use to reflect the conversions from flood irrigation to pivots.

Authority to File:

IDWR records indicate the applicant is the owner of the right to be transferred, and the property to which the Place of Use will be transferred. The applicant is the directors report owner, and furthermore the applicant submitted tax notices as proof of ownership.

Water Right Validity:

This water right is recommended in the SRBA. Landsat Data from 2007 show it to be irrigated. Forfeiture is not an issue.

Injury to Other Water Rights:

The transferred water rights are contained within water district 74W. Watermaster will comment. Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
