Idaho Department of Water Resources:

The Bureau of Land Management (BLM) is hereby withdrawing the protest of Water Right **Transfer No. 72000**, filed by McFarland Livestock Company, Inc.

The Amended Transfer No. 72000, signed 2/21/2008, no longer describes public land. Therefore, the BLM no longer has an issue with this transfer.

There is no authorization from the BLM to irrigate or use public land located in NESW Township 15 North, Range 27 East, Section 15 and in SESW Township 15 North, Range 27 East, Section 15 in Lemhi County. There will be no water right describing use of land located in the same legal description. Therefore, the McFarland Livestock Company should discontinue any use of this public land.

If you have any questions regarding this matter please contact Alan Bittner at (208) 756-5423.

Sincerely,

Steve Hartmann
Field Manager
