

MEMORANDUM

Date: January 10, 2008
To: Transfer 74430 File
From: Benny Walker
Re: Evaluation of Sufficiency of Information Submitted

This transfer proposes to correct the licensed place of use location to the acres currently irrigated and historically irrigated under the right. The transfer also proposes to correct the point of diversion to reflect where the point of diversion is actually located. This property is located approximately 21-22 miles east and 3.5- 4.5 miles south of Dietrich on the South side of HWY 24 in Lincoln County. Proposed use is within WD 130 so Water master comments will be needed. Upon review of this transfer with the state office it was determined not to advertise due to the proposal is to correct licensing issues.

- **Authority to File:**
IDWR Records show water right 36-7930 to be in the name of Michael D Woodland.
- **Water Right Validity:**
The right to be transferred, 36-7930 was licensed in 1992. Aerial photos (1992 and 2004) shows land being irrigated as transfer proposes.
- **Injury to Other Water Rights:**
None anticipated. No actual physical change is occurring. The transfer is to correct recorded POU and POD.
- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No negative impacts anticipated
- **Beneficial Use/Conservation of Water Resources:**
Proposed use of irrigation is recognized as a beneficial use of water.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
