I have enclosed a copy of the Schedule A for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information by Oct 25, 2007, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's website to obtain the proper forms and instructions. Please feel free to contact this office if you have any questions.

Sincerely,
