RE: WATER SUPPLY BANK LEASE ACCEPTANCE FOR WATER RIGHT NO. 37-22168

Dear Lessor:

On April 9, 2007, the Department of Water Resources (Department) accepted a portion of water right no. 37-7385B into the Water Supply Bank (Bank) with a lease acceptance date of April 7, 2006. This water right was split into several portions, including water right no. 37-22168, as the result of a change in water right ownership. The irrigation portion of this right was originally leased to the Bank under right 37-7385B and remains leased to the Bank as reflected in the updated lease acceptance.

Please review the enclosed lease acceptance. If you do not agree with the conditions of the lease acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right will remain in the Bank for an indefinite lease term unless the right is released earlier by the Idaho Water Resource Board or upon request by the lessor. To change the term of the lease or to release the right from the Bank, the lessor must submit a written request to the Department.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
