RE: APPLICATION(S) TO LEASE WATER RIGHT NO(S) 63-5094 AND 63-32960 TO THE
WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources (Department) has completed its review of the Application to Sell or Lease Water Right(s) to the Water Supply Bank (Bank). Water right nos. 63-5094 and 63-32960 are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

One of the applications offered water right no. 63-7847 for lease to the Bank. However, after receipt of this application, the Department completed a change in ownership of this right which resulted in splitting the right into portions now described under rights 63-32959 and 63-32960. Water right no. 63-32960 is now the portion owned by the lessor and is accepted into the Bank along with water right no. 63-5094.

Please note that although these rights are accepted into the bank, water right no. 63-5094 and the western portion of water right no. 63-32960 will not be available for rental from the bank unless enlargement concerns associated with an overlapping ground water right no. 63-10700 are addressed.

Additionally, the Department understands that the lessor intends to use ground water for irrigation under water right no. 63-10700 from a well located in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 2, T04N, R01W. However, the point of diversion location authorized under water right no. 63-10700 is located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 10, T04N, R01W. Prior to diversion of water under this right, an application for transfer may be necessary to change the point of diversion described by this right.

The right(s) will automatically be released from the bank on **December 31, 2012**, unless the right(s) are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the Bank, the lessor must submit a request in writing to the Department prior to the release date.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
