RE: Water Right Permit no. 96-9298, in the name of Maxine Delbridge

Dear Mr. Brusaw:

On February 4, 2008, the Department received a Proof of Beneficial Use form ("proof") filed in the name of Maxine Delbridge that was signed by you. The Department cannot accept the proof in its present condition without Ms. Delbridge's signature because a water right permit is considered personal property.

However, if you are the new owner of the property, Ms. Delbridge can assign the permit to you. I have enclosed an Assignment of Permit ("assignment") form to change ownership of this permit. Please complete the form with the permit's information instructing the Department how the permit's ownership should be reflected in our records, and obtain Ms. Delbridge's notarized signature. Return the original assignment with a \$25.00 filing fee to the Department. Upon receipt of an acceptable assignment, I will process the proof and send you acknowledgement of these documents.

Your response to this letter is important. I have not returned the original proof to you in anticipation that you will file an assignment. If that assumption is not correct, I will return the original proof for Ms. Delbridge's signature after **February 19, 2008**.

According to Section 42-248, Idaho Code, owners of water rights are required to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions, please contact me at 287-4942.

Sincerely,

Deborah J. Gibson
