**PROOF ACKNOWLEDGEMENT LETTER**

**RE: PERMIT NOS. 55-13850, 33-13851, and 38-13853**

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use forms ("proofs") and the license examination fees for the above-referenced water right permits. Enclosed are orders for each permit that reinstates the permits, since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for these permits have been advanced to May 1, 2005, as provided in Section 42-218a(2), Idaho Code. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website: [www.idwr.idaho.gov](http://www.idwr.idaho.gov)

If you have any questions, please contact either the **Western** Regional Office of the department in Boise at (208) 334-2190, or myself at (208) 287-4942.

Sincerely,

Deborah J. Gibson
