Re: Permit No. 98-7840

Dear Mr. Gardiner:

Thank you for your telephone call today in response to my February 20, 2008 letter. I appreciate the additional information you provided to me. The information was not available in the water right file regarding the well construction fees that had been paid. With this information, I was able to locate receipt no. N016280, which showed the correct drilling permit fee paid by Minden Water Wells for drilling permit D0028805. Therefore, no upgrade fee is required for the well associated with the above referenced permit. I am enclosing copies of the receipts I found that provided me with the information I requested. I appreciate your prompt response to my request.

Additionally, the proof statement you filed showed an address of 6503 Farm to Market Road, Bonners Ferry, Idaho 83805. This address differs from what the Department has on file for this permit. Please provide me with clarification of the correct address for future correspondence. I have enclosed a change in address form for your convenience and a self-addressed, postage paid return envelope, if you want to change your mailing address. Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change in the address of the water right owner(s) are available from any department office or on our website at: www.idwr.idaho.gov

Sincerely,
